Hannah Milam

SOFTWARE DEVELOPER

PROFILE

A software developer that is dedicated and passionate about learning new technologies. Exceptional attention to detail, superb clerical skills, and strong leadership skills from years of running a dental practice. Seeking an opportunity in the Software Development field to learn and grow new skills.

SKILL

- HTML/CSS
- Javascript
- Node.js
- Mongoose
- Agile/Scrum
- Bootstrap
- Vue.js
- MongoDB
- C#/ .Net
- MySQL

APPLICATIONS

PRESSPLAY

- Collaborative application for musicians
- Fullstack Developer
- Vue, MongoDb, Firebase, Javascript, SCSS, Bootstrap

EXPERIENCE

Software Development Student
CodeWorks | Aug 2021 - Nov 2021

- Learned full-stack development including HTML, CSS, SASS, Bootstrap, Javascript, Vue, Node, Mongo.db, C#, DotNet Core, and MySQL
- Implemented the scrum process during several group applications

Dental Office Mangager
Eagle Dental Care | Aug 2017 - Aug 2021

- Promoted to Dental Office Manager from Dental Assistant in 2019 due to my work ethic, leadership skills, and strong knowledge of dental insurance, claims, and running an office.
- Processed insurance payments, as well as submitted dental claims on behalf of the patient.
- Created excel spreadsheets to keep data for the dental office's stats and monthly/quarterly/yearly overhead.

EDUCATION

FullStack Software Development
BoiseCodeworks | Aug 2021 - Nov 2021

Dental Assistant
Carrington | Nov 2016 - Aug 2017
